

All in One PC

HB-A209

SLIM DESIGN FOR ASPIRING LIFESTYLES

Finally, a PC that blends perfectly into your home interior without cluttering your space. The sleek and minimalist aesthetic of the 09 series can fade into the background or turn it on and watch it become the centre of attention. The stylish design features a glossy white body with rounded corners. Say goodbye to bulky units and the clutter of tangled cords. The thin profile is up to 65% slimmer than conventional models.
