

All in One PC

HB-A2E7

All-in-One PC

Designed to leave a professional impression no matter the environment, this enterprise-class all-in-one business PC elevates your performance. All-in-ones and desktops give you vivid widescreen displays and loads of processing speed, storage, and memory. Productivity is at your fingertips with the PCT touch-screen. The advanced 10-finger multi-touch capability lets you take full advantage of Windows 8. Pinch to zoom, rotate images, and scroll through web pages and photo albums without having to use your mouse.
